Thank you so much to the author for taking the time to be with our special needs community. It was an awesome story!

Melania, Bounce Mom

We would like to thank Bounce and Rebecca for taking the time to share this wonderful story with our family. It allowed us to change up our routine for a little bit and have some fun.

April, Bounce Mom

Thanks so much for the Bounce It Forward virtual book reading! This was perfect for Kyleigh!

One thing she has really enjoyed since the quarantine has been book readings with her school staff. It was great to see some familiar faces as well as new ones.

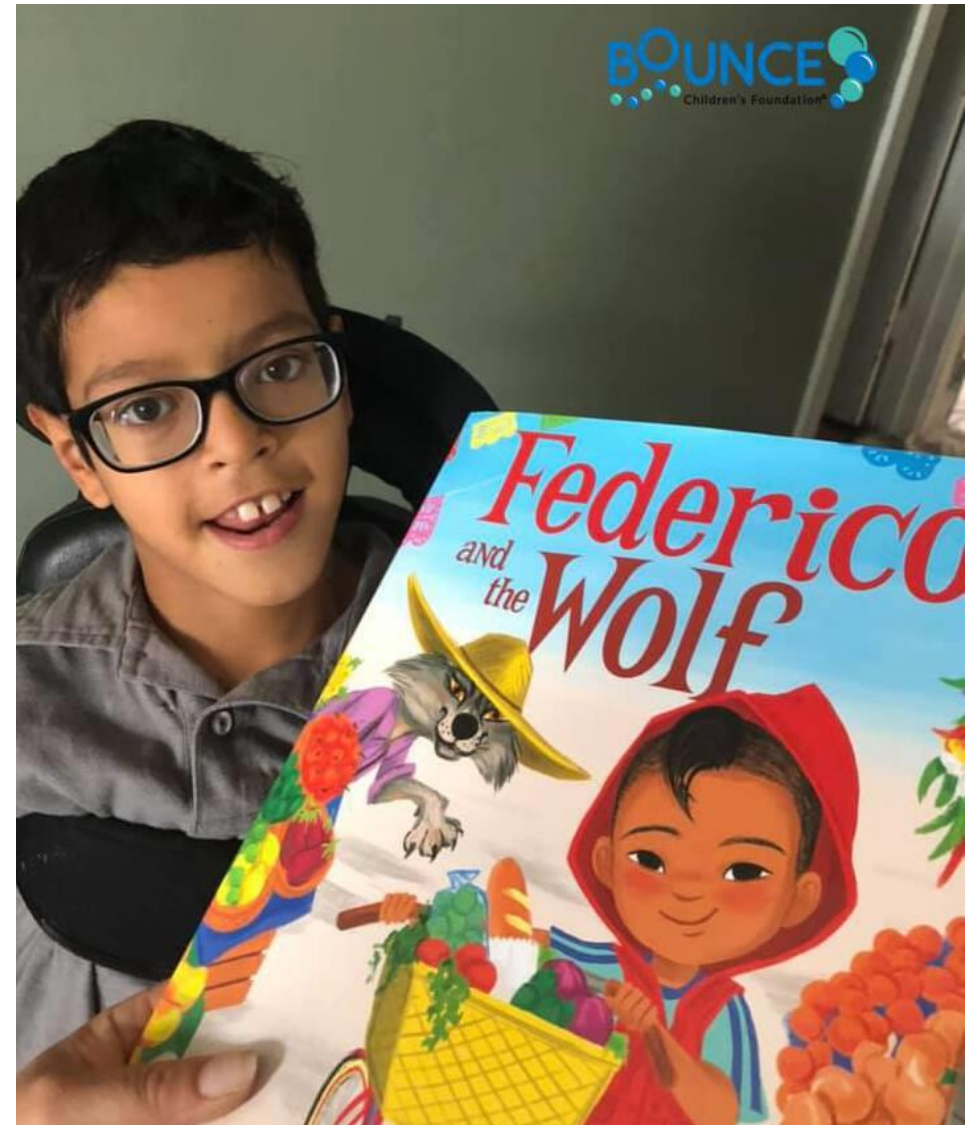

Thanks for such a fun activity!

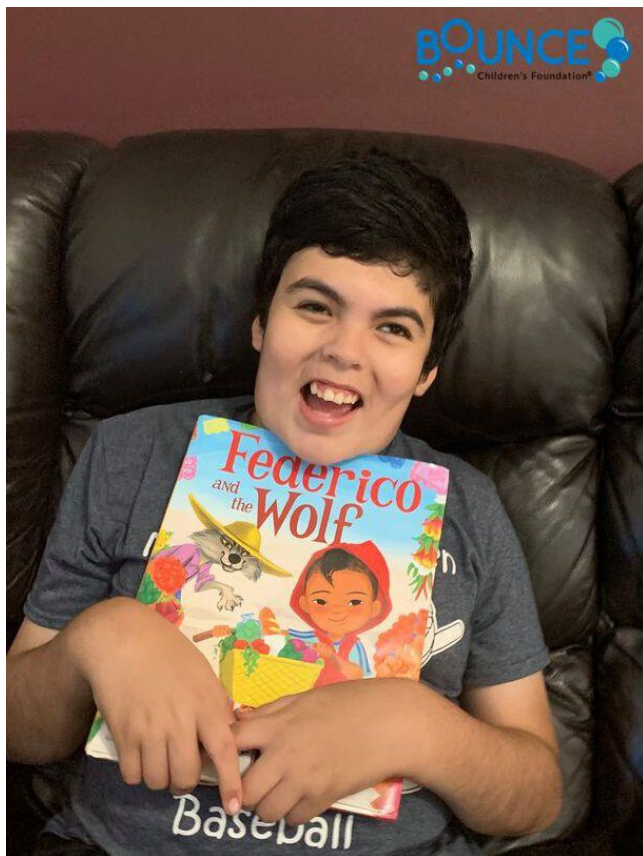

Bridgette, Bounce Mom

*Felipe identified with Federico right away!
First, his name starts with the same letter as Federico's, and they also look alike. We liked
how Federico was very brave and smart!*

Karina, Bounce Mom

My children loved it and most of all they enjoyed the opportunity to chat with the author and Bounce Families.

These are difficult times for everyone, but families with children with special needs are having an additional challenge.

Thank you for providing them with something exciting in their daily routine. We, the parents really appreciate it!!

Anita, Bounce Mom

THANK YOU

for helping us bounce!
