THANK YOU

To The Adrian Dunn Singers!

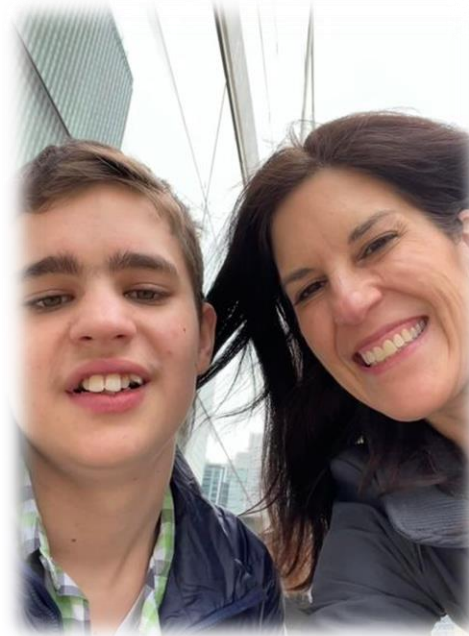

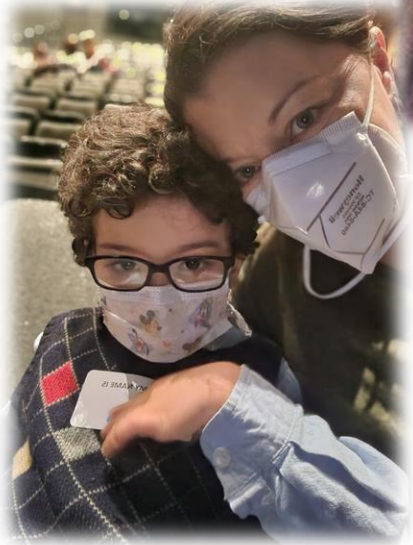

“It was a very powerful and emotional performance. I loved how the performer encouraged us to “be yourself”. As parents, we usually limit our children from being themselves in public. He invited us to sing, dance, move, and express ourselves which our children love to do!! They are expressive!!

~ Anita, Bounce Mom

Bounce Families Loved The Show!

THANK YOU FOR MAKING BOUNCE FAMILY MEMORIES

"It was a much-needed family outing".

~ Celeste, Bounce Mom

"This experience provided my family the opportunity to break the monotony of everyday living! We also had the chance of enjoying a different form of the arts with a different genre of music".

~ Chad, Bounce Mom
