Best Bites for Bounce

Presented by Bounce Children's Foundation
Feb 3, 2023 | McDonald's Global Headquarters

"From surviving to thriving... Bounce transforms lives."

When Emily was diagnosed, her entire family was diagnosed.

Every aspect of life turned upside down. She ceased living a "normal" life, her siblings took a 'back seat', and her parents were forced to manage challenges and crises for which there is no training. While Emily's hospital offers a vast array of resources, the situation was very different elsewhere. She and her loved ones quickly found themselves 'invisible' and 'isolated'.

With a unique portfolio of award winning, free programs, Bounce is the only organization that offers critical, life-changing support where it is needed most: at-home and in-the-community. For Emily, one of the nearly **1 in 5 U.S. children** who battle chronic illness, Bounce changes everything. Whether it's a family outing, peer support, education, care package, or access to resources, Bounce is there 24x7 from diagnosis through ongoing treatment - for as long as it takes.

On February 3rd, some of America's finest chefs will present their favorite small plates. Some 300 guests will delight in a delicious taste test and cast votes for the very best bite! Attendees will also enjoy signature cocktails, mystery gift bags, an amazing raffle, an outstanding silent auction, and a chance to meet heroic parents of Bounce Kiddos and Siblings.

Emily and her family need Bounce - and Bounce needs you! Your generosity enables kids and families who don't deserve the hand life has dealt them, to bounce back and build the resilience they need to overcome never-ending setbacks that define chronic illness. Your sponsorship is tax-deductible and will be gratefully acknowledged in multiple highly-visible ways.

Thank you for your consideration, and we hope we can count on your support!
