**Let's See What Our
Families Have to
Say...**

“Bounce, you've done it again!

You bring so much joy to our family throughout the year! The girls were thrilled to see the Bounce Box sitting outside of our door when they got home from school. They knew exactly what it was and couldn't wait to discover the surprises waiting inside.

We had an especially challenging period of time over the weekend. The Turkey Glove and Wreath provided a welcome distraction at just the right moment. Thank you and Happy Thanksgiving!”

~ Jennifer, Bounce Parent

“Every time we get a box or an email from Bounce, we feel special, and that this organization and everyone involved cares about our family.

It is a wonderful feeling to know that so many people work together to make our family feel loved.
Thank you!”

~ Monica, Bounce Parent

“We are grateful to Bounce for the time and resources you find to put the Bounce Back Kits together. Our family really looks forward to receiving these fun activities.

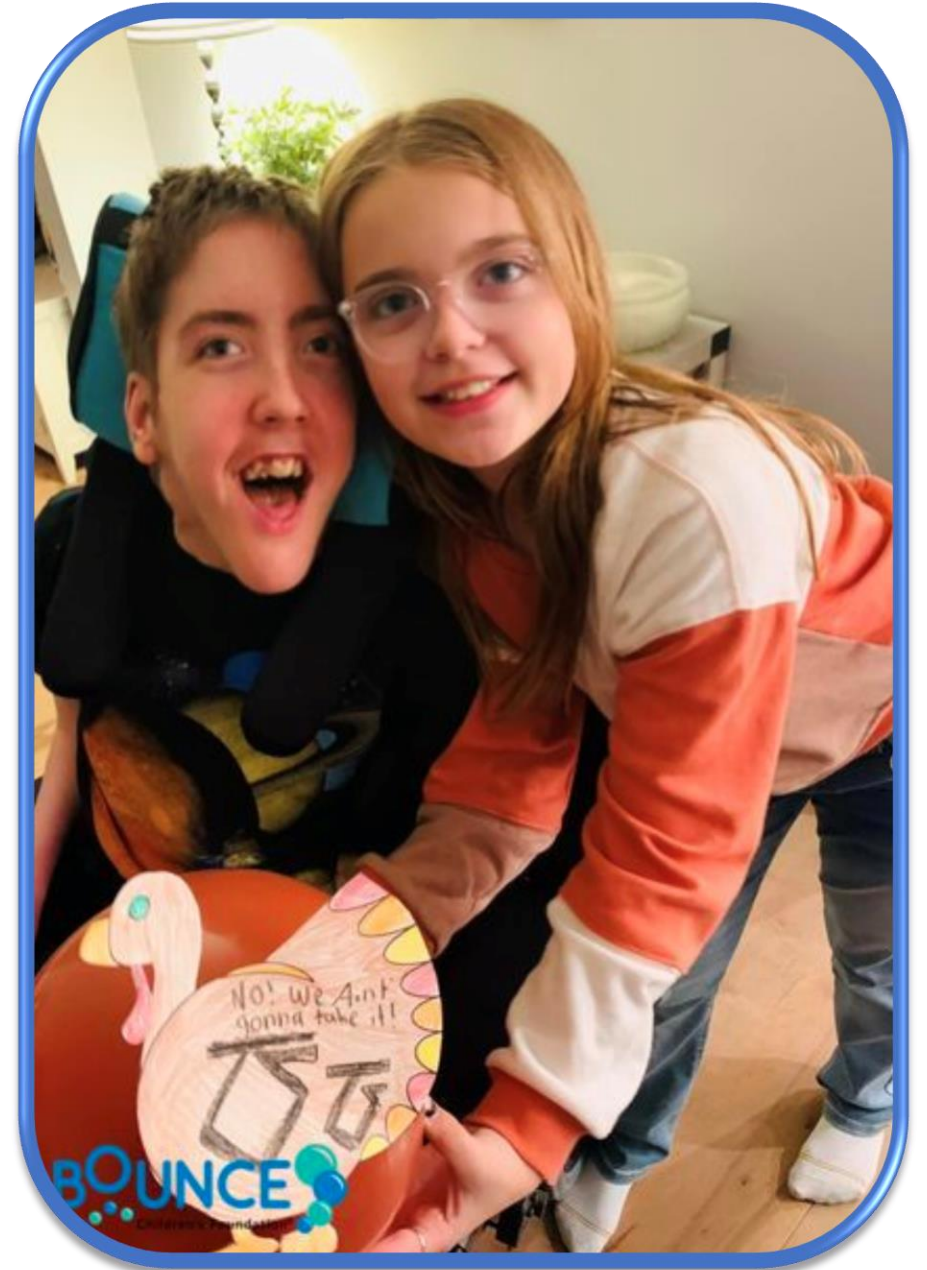

It facilitates our ability to break away from our normal, and challenging, routines to give us a mental break by engaging in fun activities that the kits provide!! Thank you!!!”

~ Anita, Bounce Parent
