“Thank you to Bounce, Aspire, Bounce Volunteers, and the other parents in attendance at Bounce Academy: Transition Planning for Adulthood.

It was a beautiful day in the city, a gorgeous venue, and such a treat to have our kids well cared for while my husband and I learned more info about the transition to adulthood for our Bounce teen.”

~ Angela, Bounce Parent

“Today I had the honor to attend your “Transition Planning for Adulthood” presentation.

Bounce gives us respect, suggestions, and ideas recognizing how difficult a job it is being parents of special needs kiddos.

Thank you all for your dedication as your information was valuable.”

~ Melania, Bounce Parent
