**Let's See What
Our Families Have
to Say...**

“The box gave us a sense of community and acceptance. Having well thought out activities to do with our children with disabilities is something every family struggles with and it’s such a relief to not have to be the one to come up with the ideas for once. This was our first box and I’m so happy to have the opportunity to be apart of this community! Thank you for all you do.”

~ Eleana, Bounce Parent

“We had so much fun with not only our immediate family but, when seeing fireworks, our extended family shared our fun with the delicious salsa, fantastic light up balloons and fun lawn games. Lots of fun memories were created - and the best salsa too!”

~ Bridgette, Bounce Parent

“I love doing holiday crafts with the kids, but it’s always too much work. The kits are perfect for us. It allowed us to have a fun arts and crafts morning doing something together as a family.”

~ Emily, Bounce Parent

“It was wonderful to have when we needed to stay inside in the AC. The kids turned off their iPads and did something festive together.”
