“Thanks for the ballet tickets. Sarah loved it. She has never seen this caliber of love dance performance and she was thrilled.”

“Ballet 5:8,

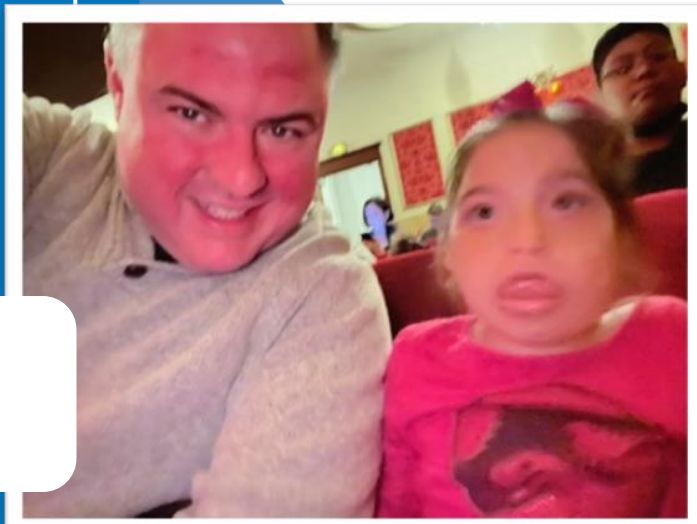

Below is the one and only picture I took at the ballet. Please don't think that the lack of pictures means we did not enjoy ourselves. In fact, that could not be further from the truth. I have never seen Kyleigh more engaged and enthralled with a performance than what I experienced with her at the ballet. Kyleigh was literally on the edge of the seat for the entire performance.

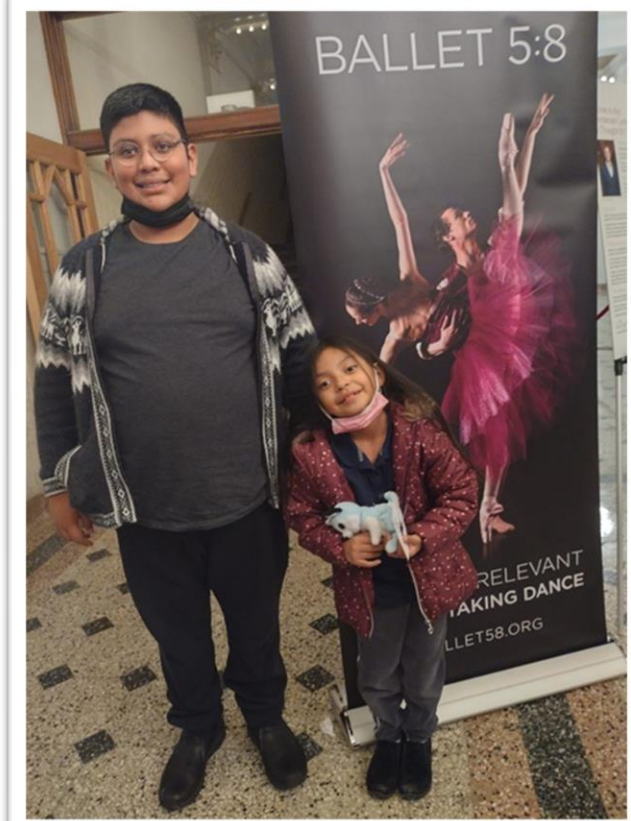

Kyleigh is non-ambulatory but she was so moved by the performance that she often raised both her arms and danced in her seat. Whenever there was a solo dancer on stage, Kyleigh reached out and waved at them as if they were dancing just for her. It was clear she could feel all the emotions expressed by the amazing performers and clapped with enthusiasm after each performance.

Thank you Bounce and Ballet 5:8 for this amazing opportunity to experience such beautiful artistry firsthand and for the opportunity for Kyleigh to be so overjoyed and moved by it. It is an experience we had together that neither of us will forget.

Thank you,
Taylor Family”

“Dear Ballet 5:8,

Thank you so much for your generous donation to Bounce Children’s Foundation. What a treat it was to attend your absolutely stunningly beautiful ballet. The talent and costumes were marvelous to witness. I attended with another special need’s mom. We met through our boys and their rare genetic disorders that have put us both in the path of some of the most wonderful big-hearted people in this world. Thank you for giving us both this special opportunity to be out and enjoy your wonderful performance.”

-Leah, Bounce Parent
