Pediatric Chronic Illness: A Hidden Epidemic

Nearly **1 in 5** U.S. children battle a disease for which there is no cure.

In the hospital there is a wealth of clinical and social-emotional support.

Before Bounce, there was an acute lack of support both at home & in the community.

activities included...

Trick-or-Treating

Bounce built a neighborhood – inside - so **every** child could trick-or-treat – no steps, no rain, no cold, no crowds.

Carnival Games

A room full of Halloween themed games where everyone wins – because everyone can participate. There are even prizes for Kiddos who can't eat candy.

Arts & Crafts

Kiddos, Siblings – and even Parents - were invited to create keepsakes as a reminder of all the fun they had at Halloween Hoopla!

Lunch

An allergen free Lunch was provided to all Families with group seating to encourage discussion and interaction.

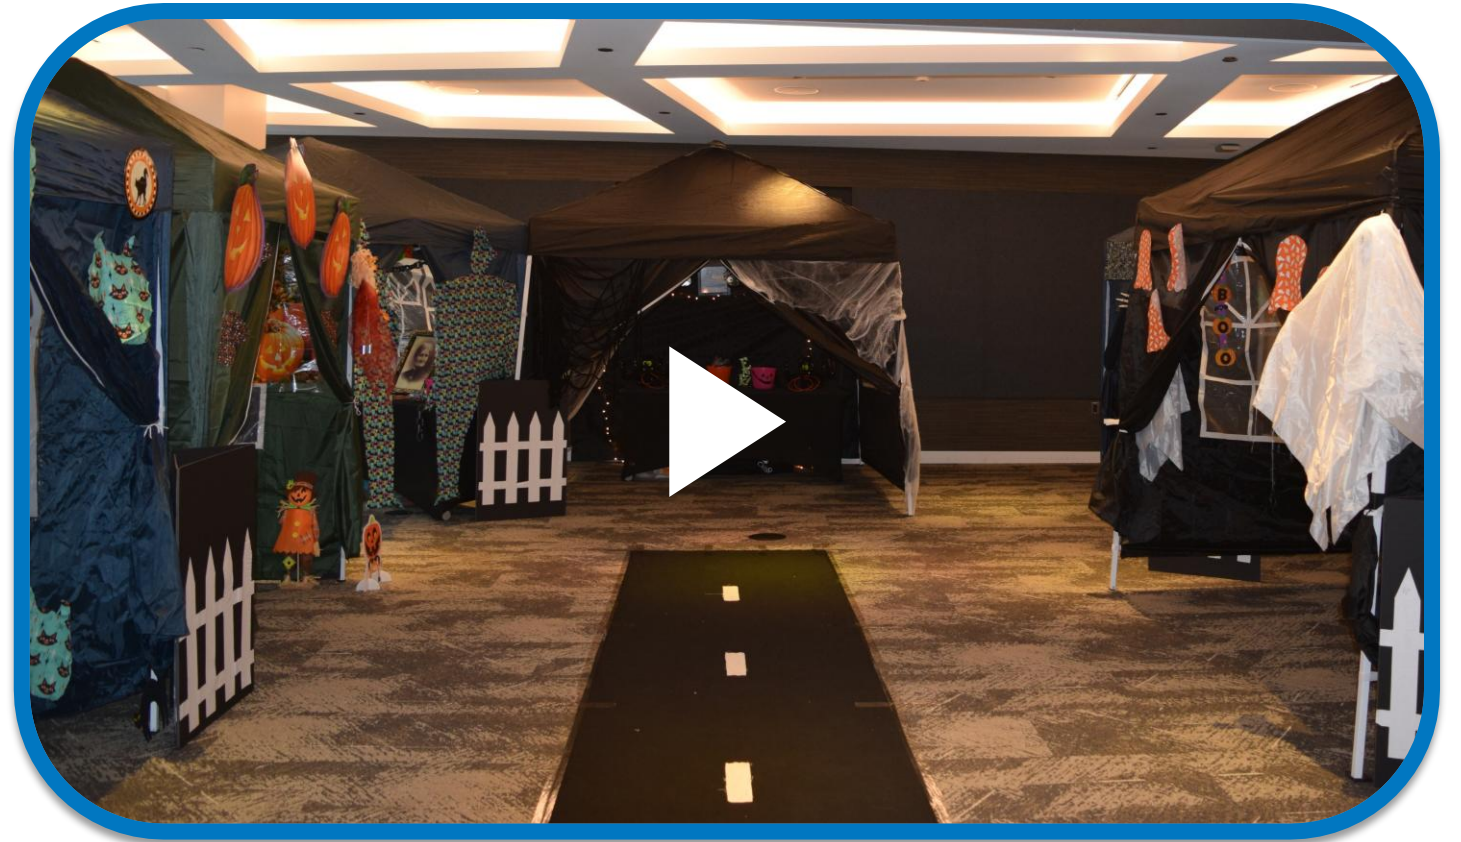

Mummy Wrap

Each Kiddo & Sibling got to pick a “tall person” – and tell that person to either ‘mummy wrap’ them or be ‘mummy wrapped’. Empowering fun with lots of problem solving and laughs!

Trick-or-Treating

In the spirit of a fully inclusive, authentic, experience, Bounce builds a “Neighborhood” for Kiddos, Siblings and Parents.

Each house features a unique, fun-filled activity that earns visitors candy or non-food treats (for kids who cannot eat by mouth).

*“Bounce Bash® Halloween Hoopla, and especially the games in each “house” for trick or treating brought a huge smile to our Bounce Kid's face and **her brothers had a blast too.**”*

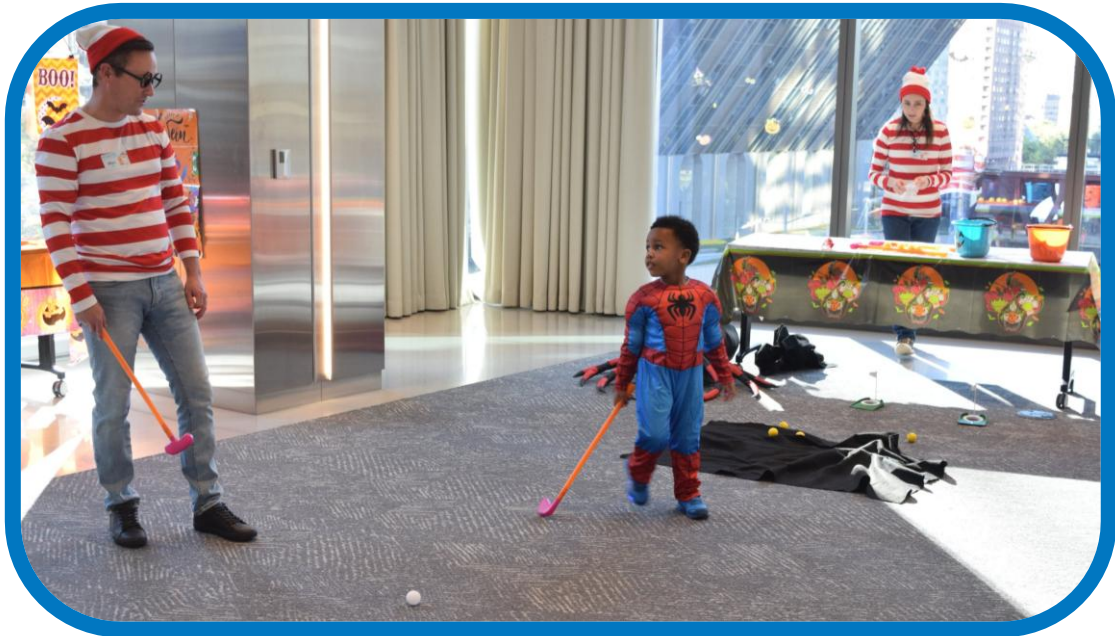

— Caitlin, Bounce Mom

Halloween Themed Carnival Games: Adapted for Kids of ALL Abilities, Including...

- Boo Bowling
- Ring Around Witch Hat
- Pin the Eye on the Monster
- Pumpkin Dart Guns
- Jack-O-Lantern Buckets
- Ghost & Goblin Golf

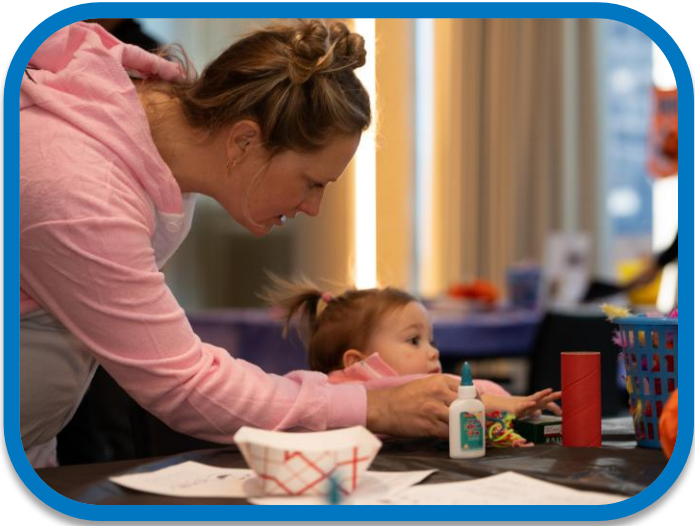

“...kids would get so excited to complete the game and do well. **They loved having some support** but hopefully got the sense of accomplishment by tackling a lot of it themselves once they understood the rules. It was great to see their reactions and have some candy and prizes to take away.

— *Haley, Bounce Volunteer*

A Celebration For The Whole Family

Bounce Bash Halloween Hoopla
isn't just for our Bounce Kiddos.

It's a celebration the whole family
gets to be part of — together.

Smiles. Costumes.
Confidence. Connection.

Bounce Bash Halloween Hoopla
showed us what's possible when every
family gets to say:

“Yes — we're part of this.”

Volunteers Helped Make The Magic Happen

Volunteers didn't just help –
they transformed the atmosphere.

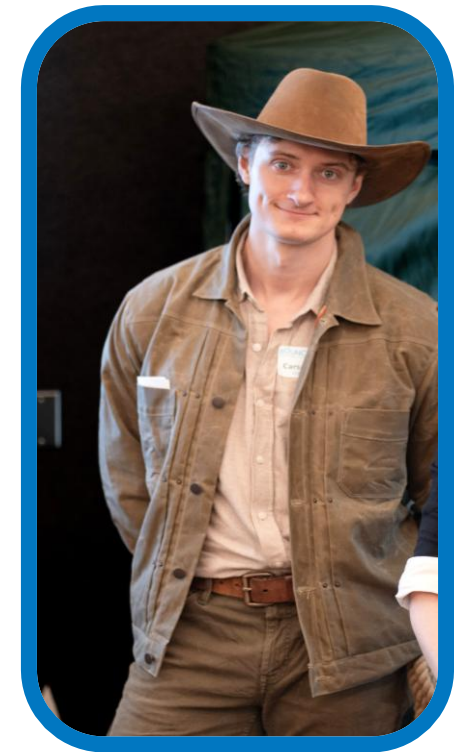

Smiles, energy, and joy were
everywhere!

“It was amazing to see ALL the Bounce employees and **volunteers** with a smile on their face the ENTIRE TIME and being FIRST to say hello to ALL the kids and their parents, felt like being at Disney World, everyone was HAPPY.”

— *Brett, Bounce Volunteer*
