*Transforming the lives of chronically
ill children, and their families,
shifting all from surviving to thriving*

Pediatric Chronic Illness: A Hidden Epidemic

Nearly **1 in 5** U.S. children battle a disease for which there is no cure.

In the hospital there is a wealth of clinical and social-emotional support.

Before Bounce, there was an acute lack of support both at home & in the community.

Bounce Children's Foundation

Mission

Transforming the lives of chronically ill children, and their families, shifting all from surviving to thriving.

Vision

Every family raising a child battling chronic illness has access to Bounce.
