# Pediatric Chronic Illness: A Hidden Epidemic

Nearly **1 in 5** U.S. children battle a disease for which there is no cure.

In the hospital there is a wealth of clinical and social-emotional support.

Before Bounce, there was an acute lack of support both at home & in the community.

# Everyone at the Fun-Filled Night!

**While Families got to skate around on the ice, they also...**

# ... Met New People!

“I previously asked an ice-skating arena if my son could skate using his wheelchair and was told no. But our girls enjoy ice-skating, and this gave us the opportunity to enjoy ice skating together and meet new friends in the partner skate time. Thank you!”

~ Jacqueline, Bounce Mom

# ... Feel Supported!

“Such a unique experience especially because Karissa was able to get in the ice rink! Everyone looked like they were having a blast!”

~ Rafela, Bounce Mom

# ... Skated to the Needs of All Members of their Family!

“It’s so important for my kids to see other people in bodies that work and look differently, like my son’s does. He wouldn’t put his skates on, but he was so content to just be pushed around on a chair. It was a blast!”

~ Lisa, Bounce Mom

# ... Gave them the Sense of Belonging Outside the House!

“It was great seeing other families enjoying their day!”

~ Alfredo, Bounce Dad

“Great chance to get us out doing something new!”

~ Danielle, Bounce Mom

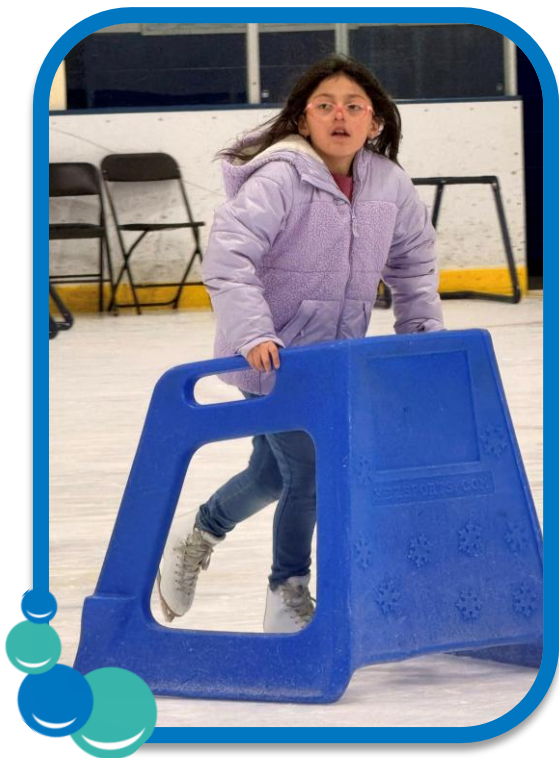

# ... Decompress and Enjoyed a Different Experience!

“This Bounce Bash was amazing! To see so many families having a great time on the ice, it made us incredibly grateful for our Bounce family.”

~ Rebecca, Bounce Mom

# ... were Distracted from the Reality of Pediatric Chronic Illness!

“My daughter has been asking to go ice-skating for years now, but I would avoid the topic altogether because I didn’t think it would be possible due to her disability. Bounce made it possible! Forever grateful.”

~ Nancy, Bounce Mom

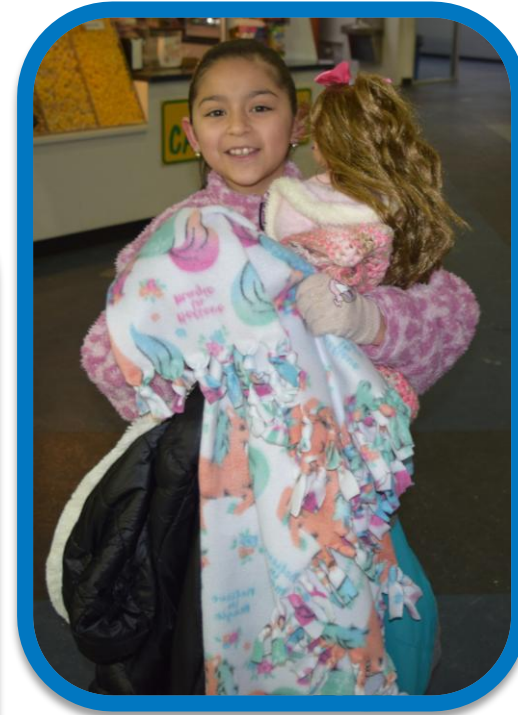

# ... Feel Connected to Other Families!

“My kids had a blast, and we met so many nice people.”

~ Jessica, Bounce Mom

# ... Received a Blanket for Each Child in their Family to Stay Warm!

“My kids were so excited to receive a blanket. It was their first-time ice skating. Thank you for a fun filled night!”

~ Rolanda, Bounce Mom
