7th Annual

*A Scramble Format Golf Outing & Dinner
Benefitting Children Battling Chronic Illness, and Their Loved Ones*

Now at the Renowned Ruffled Feathers Golf Club!

Designed by renowned architect, Pete Dye, and his son, P.B. Dye, Ruffled Feathers Golf Club's championship layout blends imaginative design with breathtaking natural beauty.

Tree-lined fairways, sculpted greens, strategic bunkers, dramatic water features, and native wetlands create a visually stunning and challenging round highlighted by bold carries, peninsula greens, elevated tees, and classic Dye risk-reward elements.

The 30,000 square foot clubhouse features an incredible wrap-around patio with stunning views of the course. The clubhouse also hosts one of only 12 restaurants awarded Golf Inc.'s "Golden Fork Award".
